# Out of This World.

What is high school?

Right now, it's life. But ten, twenty years from now, what will it be? A dusty yearbook, a framed diploma, faded pictures, and dim memories. You might still wear your class ring. But no matter what you do or where you go, it will be one of the most important life experiences you will ever have.

Back to the present.

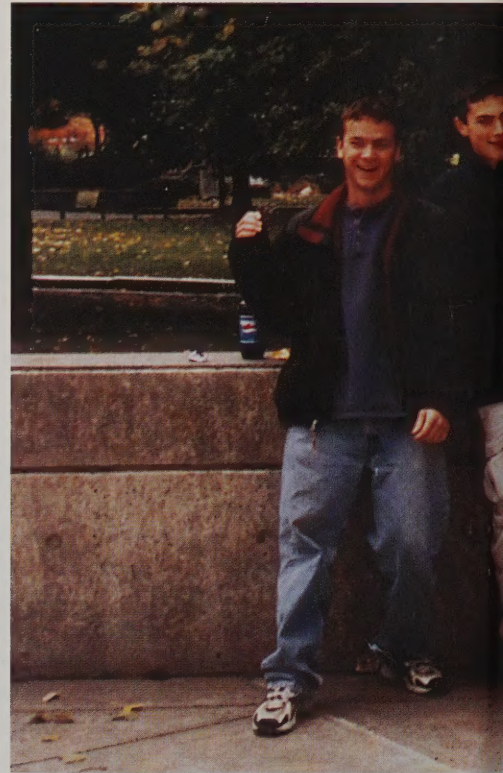

We, the class of 2000, are tomorrow's movers and shakers. We will take our individual high school experiences and use them again and again during our lives. The social skills, study skills, talents, and prejudices that will shape our lives are formed and developed here. We will lose touch with our friends, but we will always search for people like them.

Our growth and change these past four years have been astonishing. There is little resemblance between us now and the freshmen we were back in September 1996. Since then, we have touched so much. As a class we have put our mark on this school. As individuals, we have put our mark on the community. When we graduate and move on, we will continue to put our unique touch on everything else we encounter.

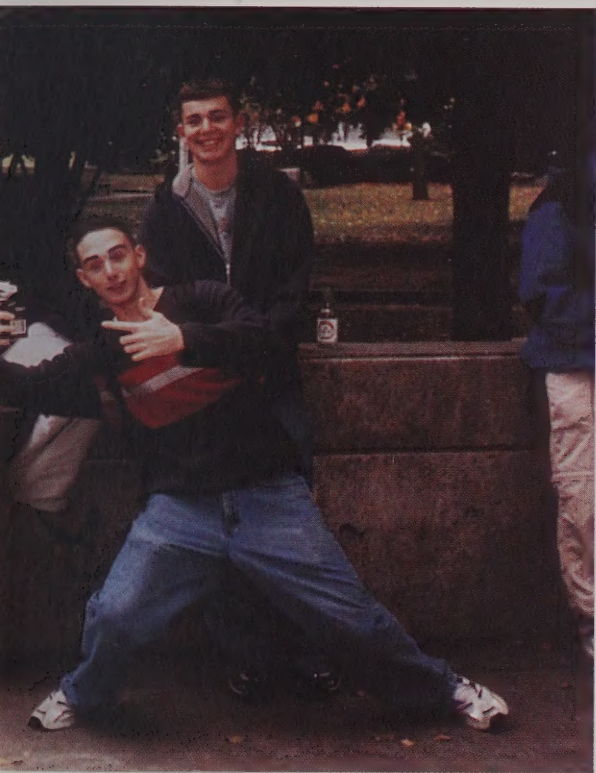

We are the last class of the century, the first class of the millennium, finally out of this school, and *Out Of This World*.

STUDENT LIFE

# PARIS

In March 1998, a group of CRLS students travelled to France to participate in an exchange with French high school students from the Lycee Leonardo de Vinci in Amboise, France. The trip lasted twelve days and included visiting many incredible sights. The students visited famous chateaux like Chambord, Villandry and Chenonceau, built hundreds of years ago in the ornate style of the age; they explored vast wine caves and learned about the process in which the French make their famous wines; they learned about a number of other interesting subjects (like pharmaceuticals and nuclear power) while voyaging through endless gorgeous roads in the French countryside.

The trip was a wonderful experience for students to see another culture. The French students were extremely welcoming and hospitable in just about all ways hosts can be, and were a lot of fun to hang out with at all times, from relaxing in their homes to enjoying a joint trip to Futuroscope, a modern French amusement park.

The CRLS students ended their exchange trip with a few days to see Paris, France's magnificent capital city. The Eiffel Tower was just as amazing as it is made out to be, with its endless view of the city in which it stands. The Louvre, although its rooms are somewhat like an enormous maze, was true to its reputation, and a nighttime boat ride on the river Seine (although a classic tourist activity) was magical enough to captivate the minds of anyone.

# China

The trip to China was amazing. The very first day we woke up early and took our bus to the Great Wall. We had seen pictures in textbooks but seeing the wall up close was a whole different experience. The climb was extremely steep and we had trouble because of the altitude. There were thousands of people everywhere and we could see the wall stretching out into the distance. We had never experienced anything like that in our lives.

The Great Wall stands out in my memory because it was my first experience in China. But the following 2 weeks were filled with so many other experiences that made an equal impact. Each day we spent in China we saw things that none of us had ever seen before. China is a culture that has existed for thousands of years, and we had a lot to learn about it. Even though American and Chinese cultures are vastly different, we realized on our school visits in Beijing and Shanghai how similar we were to the Chinese students. All of us shared interests in sports and music. Visiting China changed all of our perspectives of the world and our lives. I appreciate my life more a lot more because of the things I saw and learned in China.

# Russia

In April of 1999, the CRLS Slavic Club completed yet another successful trip to Russia. The students stayed with host families from School 238 for three weeks, with a 3 day excursion to Moscow. In attendance were seniors Ron Stewart and Case Randall, and juniors Stephen Huenneke, Christina Roth, and Ilya Luvish. Russian teacher Lucinda Leveille served as their fearless leader.

# Costa Rica

The day before April vacation of 1999, a group of CRLS Spanish students left for Turrialba, Costa Rica, to visit the students that they had hosted the previous November.

There, we spent our days visiting some of the many interesting places in Costa Rica. Even though we saw few sunny days, and one day at the beach was rainy, it was a positive experience.

We bonded on the bus while travelling to various points around Costa Rica, including an archeological site, a volcano, and the capital (San Jose). We enjoyed our days while white water rafting, swimming at the pool and beach, and experiencing Costa Rican family life. By night we attended concerts at the local university and tried to salsa at the night clubs.

We got a good feel for the culture from living with families, attending the local high school, and absorbing the *belleza* of Costa Rica.

# Italy

The annual school-sponsored trips to Italy are exceptionally rewarding. Each year, Mrs. Scorza and her legion of students travel to different parts of Italy, usually stopping in Rome for a few days. These trips allow students to experience all aspects of Italian culture, from food and style to home life. This hands-on experience also allows for an easier absorption of the Italian language.

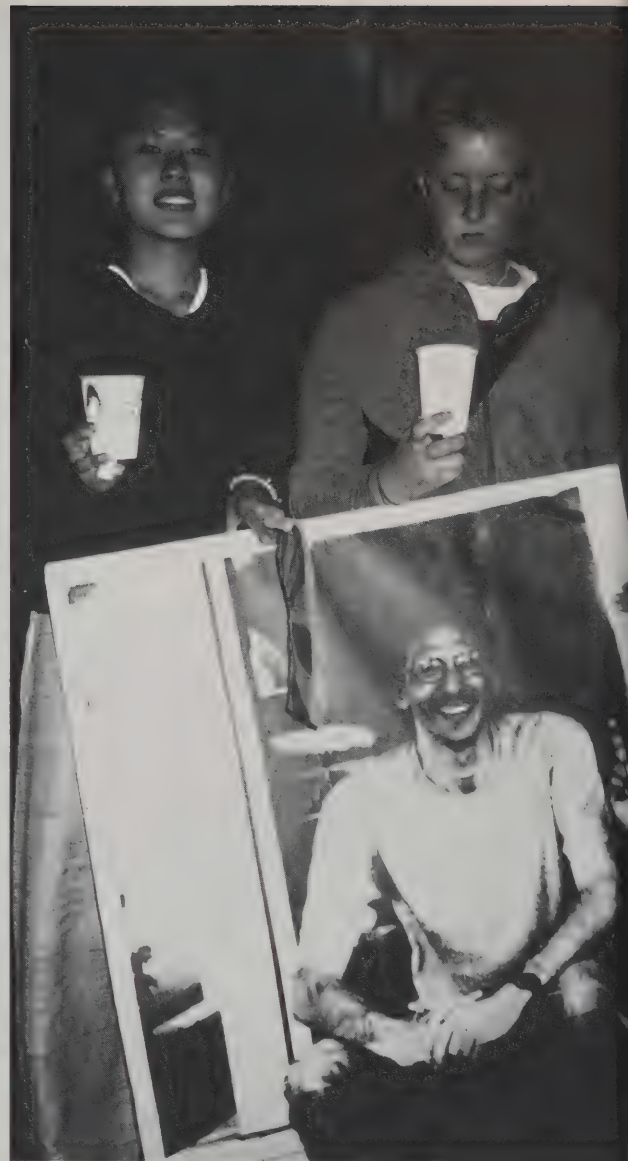

This year's trip was to the provinces of Emilia-Romagna, where students stayed in the homes of Italian students of the same age, and to Reggio Calabria, where they enjoyed a hotel by the sea. Not only does travelling in another country give one insight into new and interesting ways of life, but it also expands one's horizons, preparing one for the world outside of high school.

# The Servant of Two Masters

by Carlo Goldoni  
presented by  
the C.R.L.S. Department of Drama and Dance

**November 12, 13,

he Servant of Two Masters, By Carlo Goldoni, Fall show 1999. Hands down the funniest fall show in quite a while. Directed by the talented and charming Michael Lopez-Saenz, and technically directed by the amazing and world renowned Steve Hall, the show was quite something. Despite some rough spots (ahem - rehearsing on opening night), the show was a stunning success.

Who can forget closing night when Patrick Huguenin missed his entrance, stranding Owen Everett on stage alone, only to make some of the funniest ad libs ever? Should we say thank you to Patrick? A big thank you to Gabe Munitz-Alessio for making what chewed bread bit funny EVERY TIME, and of course thanks to all the dancers (brilliantly directed by Brenda Rivelbliss) for being absolutely fantastic, and a HUGE thank you to Liza Lopez, who did an unbelievable job with the (millions of) costumes! Let's not even think of forgetting seeing Max Lesser without any pants, the adorable swordfight, and Catherine McFarland's squeaky attempted "suicide".....awww. Add about 10,000 more fantastic memories, and you've got yourself one stunner of a fall show. Yay, Servant of Two Masters!

# TWILIGHT ZONE

The line between reality and reality can be more than thin—it can be invisible. . . . The line, however, between a good show and a great show is not so hard to see. Obviously, this was a great show, and nothing (not even truly fantastic judges) can change that. The way it grew from our first open dress rehearsal to our final performance both impressed and amazed everyone.

Not only was it a well-done show on all levels, but it was unbelievably fun to do. Looking back at even the not-so-fun things, like putting the black-and-white makeup (and having it not come off) leaves one with a good feeling.

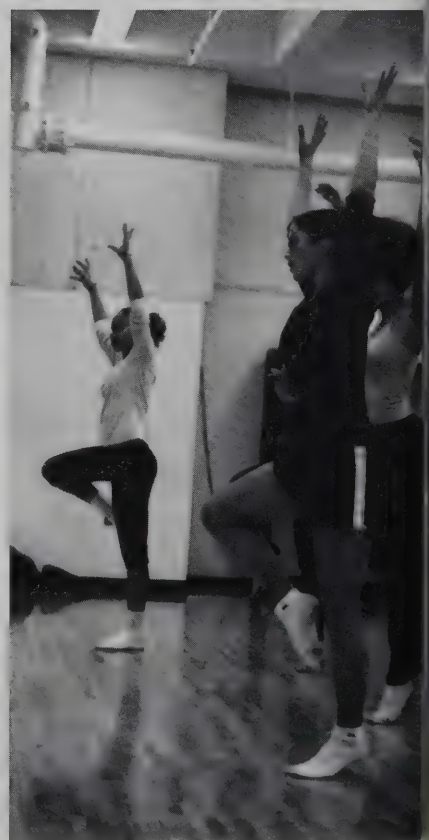

The color commercials, the black-and-white episode, were pure innovation on the stage. The pride that we all feel for the show stems not from the final outcome, but from all the hard work that went into achieving that final product. We really have crossed over into... The Twilight Zone.

SPORTS

The Girls' Soccer Team had a rebuilding year in Fall, 1999. New Varsity Coach Robin Franchescini instituted a new format after a disappointing first half of the season. The 3-5-2 format enabled the team to come back to a victorious second half. Seniors included Maya Ballard-Downs, Cari Benbasset-Miller, Sonja Totten-Harris, Maja Tonic, Alexia Loman, Meewha Bell, and Flor Alvarenga.

**Soccer**

From early August, the boys' soccer team trained in a grueling set of try-outs to show their determination, speed, skill, and endurance. After a week of the harsh work, it was the tough job of Coach Philippe to choose those he would take. But try-outs never really ended. Everyone had to prove they had to prove that they had what it takes to keep the team ahead. With injuries plaguing the team, each and every player was forced to work twice as hard. The record of varsity was 8-7-2. This was a real team; they pulled their stuff together and worked through the hard times. Their first game against Somerville ended in a 5-0 loss. By the last game, they had a 1-1 tie with them. When push came to shove, Cambridge boys came together and gave it their best.

**BOTTOM ROW:** (left to right) Micah Pierce, Valery Jean-Charles, Bleeker Wheeler, Joey Feldman, Collie Wendel, Nick Page, Ross Kochman, and Milligan-Pate.

**TOP ROW:** (left to right) Coach Felipe Vega-aranga, Nikias Stefanakis, Francois Elizee, Noah Hussman, Shane Marriot, Ralph Joseph, Christian "Junior" Derosiers, Victor Doran, Jerome Green, Teodorus Efrain, Jake Hannon, Daniel Mario. Captains: Valery Jean-Charles and Collie Wenel

# Girls Cross Country

This year the Cambridge Girls Cross Country team made CRLS history by becoming the first girls team ever to win an Eastern Mass. Championship. The girls also experienced great success in the Greater Boston League. They finished the season with an undefeated record of 8-0, and took 8 of 12 league all-star slots. The team was led by super-freshmen Ashley Brown, who was named All-Scholastic by the Boston Globe and the Boston Herald. The team also placed high in regional competition, finishing 3rd at the Manhattan Invitational and 2nd at the Bay State invitational.

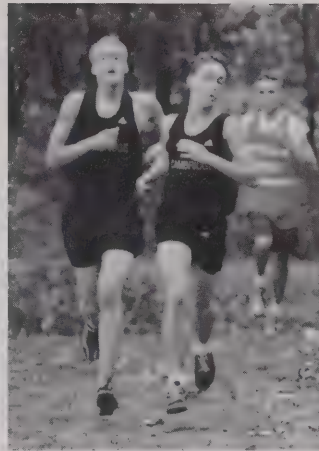

Back--coaches Scott Cody, Jesse Cody and June Snow; Julia MacEwen, Johanna Thomas, Isabel Yallouris, Datherine MacDonald, Hazel Ryerson, Gretchen Overholtzer, Dara Welch-Brown. Front--Ashley Brown, Kahliah Bradshaw, Julia Devanthery, Alyssa Tingle, Joelle Hobeika, Eliza Clark.

# Boys Cross Country

The boys cross country team, coached by Jesse Cody, continued its dominance in 1999. Led by seniors Sam Ryerson, Jesse Rykerson and Brian McKenna, the team ruled the GBL, and performed well in State competition.

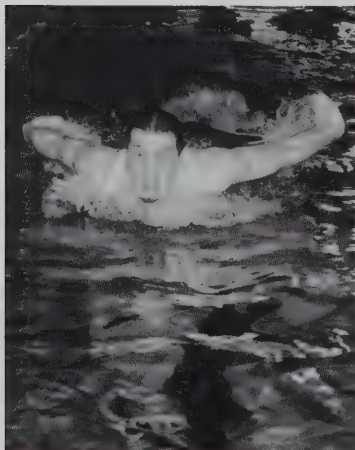

Back--Kurt Backster, Kiril Johnson, Adam Poswolsky, Ben Wisner, Nick Pillsbury, Miles Ercolani, Daniel Kahn, Mackenzie Noel, Sam Ryerson, James McCarthy, Brian McKenna, Jason Ramos. Front--Zarif Muhammed, Hassan Nur, Adam Zeisel, Curtis Jackman Jr., Noah Chevalier, Eddie Brito.

The boys' swim team had its best season in over 25 years. They came in second place in the Greater Boston League, and placed first in two events. Senior Josh Weiner qualified for the state meet in four events, and the 200m free relay recorded a school record. As a sign of dedication to the team, the swimmers bleached their hair just before the GBL meet.

(From left) Top row: Mike Kershner, Paul Mahoney, Jack Haverty, Paul Fitzgerald, Henry McMahon, Josh Weiner. Middle row: Alex, Omeri Fortune, Oh-Hyung Kwan, Robert Aguero-Hoffman, Arash Verdi, Slater Brauns, Artis Bergman, Jesse, (girls) Henrietta Oakly, Margaret Levy, Jesse Clemens, Tamara Sturges. Front row: Colin Brauns, Chris Atchison, Joe Trevichneck, Paul Goldstein, Phil Shea, David Koocher, Scott Doody.

# Swimming

The girls' swim team had an exciting season. The team worked hard and improved its record. Diver Lucy Colby placed tenth in the State. Another highlight was when the team choreographed an original cheer. The team would like to thank coaches Mr. Sudnick and Fitz for their help and dedication.

(From right to left): Tamara Sturges, Ilyana Cortez, Claudia Pafumi, Natasha, Ariel Nelson, Margaret Levy, Allison Roth, Rosaleah Brown, Sara Graves.

# Swimming

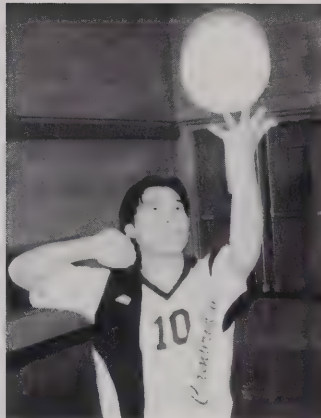

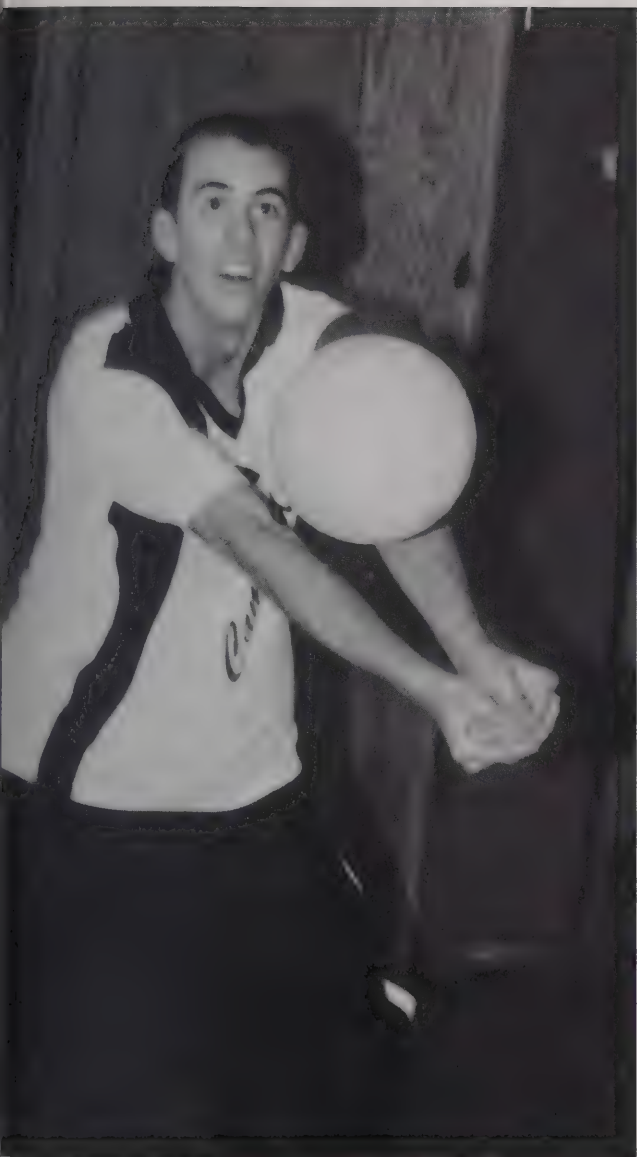

The CRLS Girl's Varsity Volleyball team won their 3rd consecutive Greater Boston League Championship with a 14-0 record, and an overall record of 20-2. The team was led by Ayse Gurdal-Friend, voted the MVP of the league, and GBL All Stars, Julia Sheketoff, Claire Singer, and Katila Arruda. Seeded 2nd in the Central Division of the State Tournament, the Falcons defeated Newton South (3-0), but lost to Newton North in an exciting match (3-2). Other season highlights included the successful season of the Jr. Varsity (19-1) and the undefeated season of J.J.V.

# Volleyball

# Volleyball

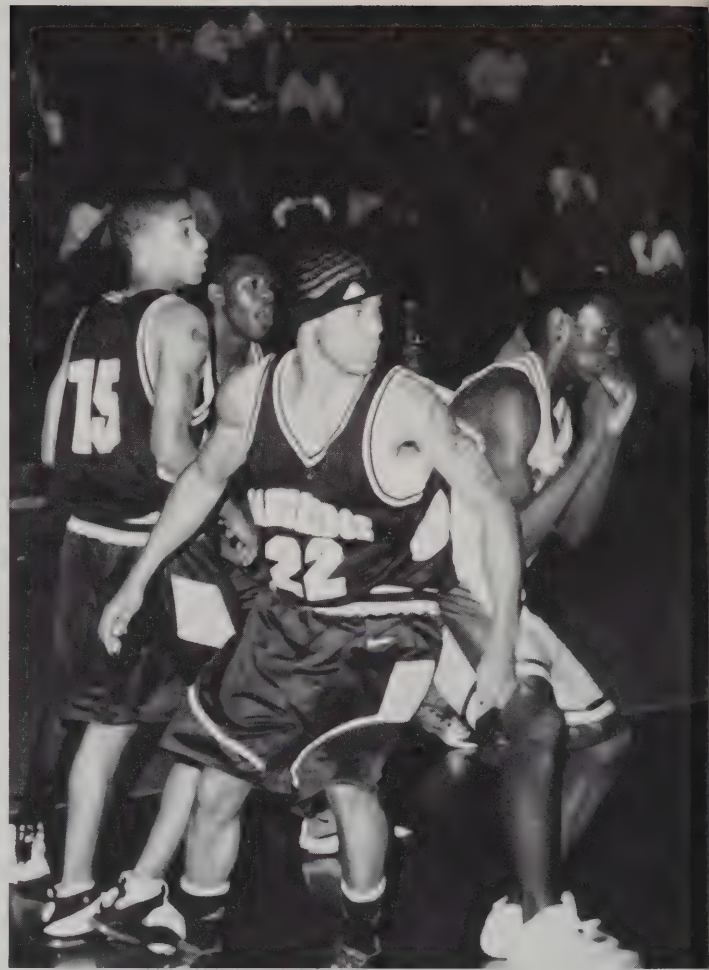

The 1999 Boy's Volleyball season followed tradition and entered the State Tournament as a contender for the North Sectional Title. In the first round after falling behind 2 games to 0, and 11-4 in a best of 5 matches, the Falcons refused to lose and staged a comeback to win the match 3 games to 2 over Boston Latin School. The Falcons then travelled to St. John's Prep to face the top seeded team in the North for the semi-finals of the section. Some outstanding teamwork kept the Falcons in the match, but the seeds held and Cambridge's season was over.

# Basketball

## Boys

The 1999-2000 season has been pretty good so far. We are now 11-2 and we stand in first place in the Greater Boston League. With a tough loss in the second game of the season to a strong Holy Name team. We have rebounded strongly with a 10-1 record. We recently defeated the #1 team in the state, Central Catholic. This is quite an accomplishment because Central Catholic were State Champions last year and are led by the #1 player in the state. We have come together as a team and with this great victory we anticipate winning the State Championship.

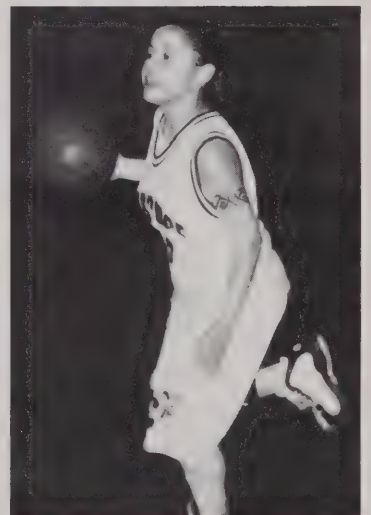

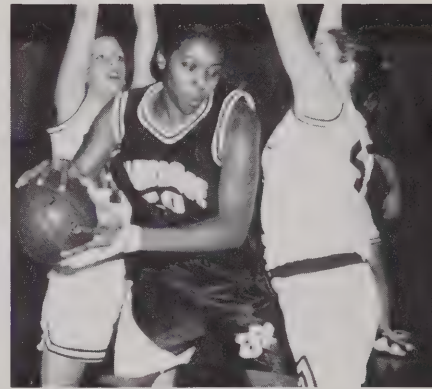

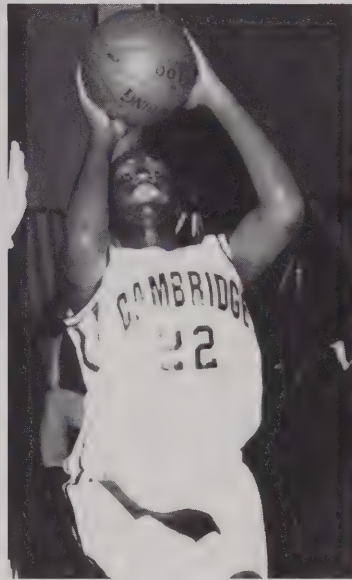

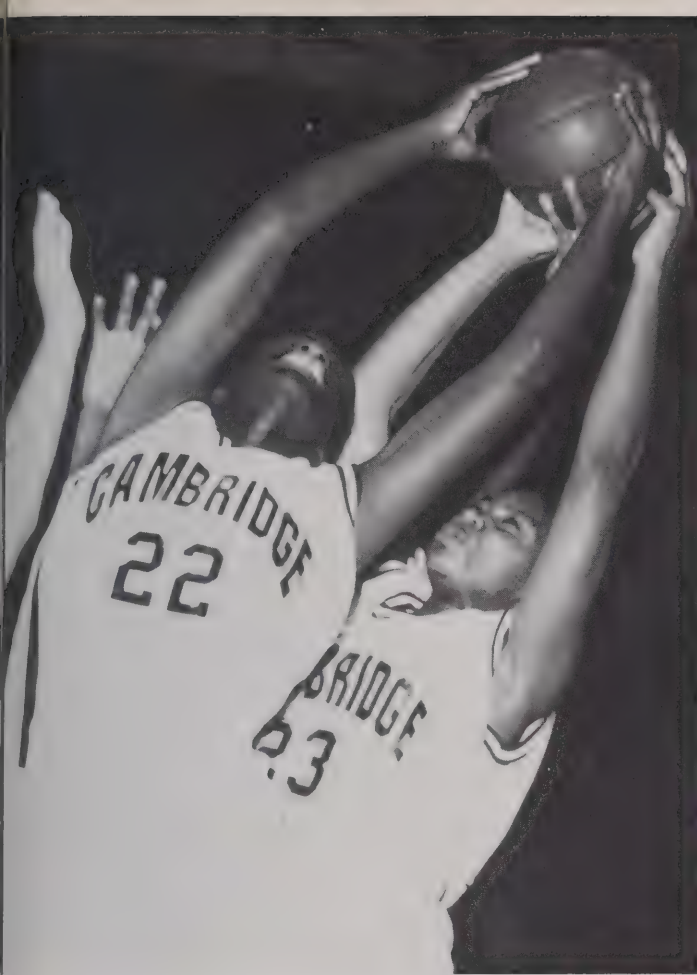

Back row (L to R): Assistant coach Peter Mugar, Georgie Rodriguez, Stephan Passley, Devin Robins, Shawn Barrows, Juan Wilkins, coach Lance Dottin. Middle: Johnathan Gillard, David Williams, Justin James, Anthony Johnson. Front: Frantz Pierre, Luis Ford, Derrick Harris, Tyrell Dostch, Patrick Fransco

## Girls

The Cambridge Rindge & Latin girls basketball team completed the regular season with a 17-3 record overall and a 14-2 record in the GBL, taking second place. It includes GBL All-Star seniors Shauna Ruglass, Susan Ocitti, and junior Sarcia Adkins.

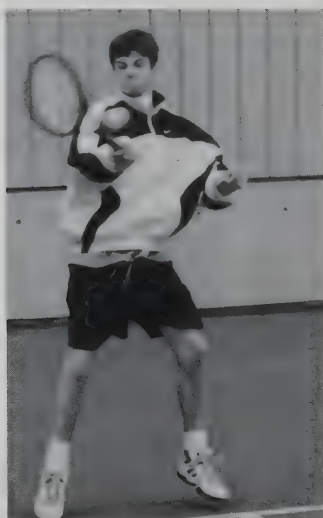

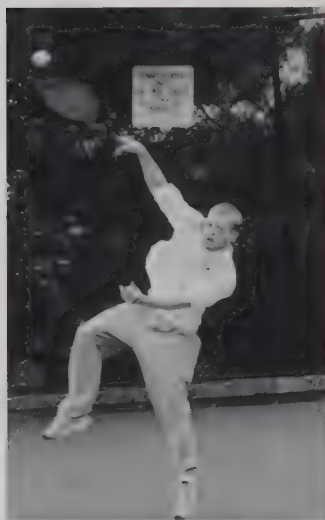

This team was one of the great ones here at CRLS in 1999-2000.

Front row (L to R): Sarcia Adkins, Celina Vital, co-captain Merlene James, co-captain Shauna Ruglass, Sara Morgan, Aja Pascual. Back row (L to R): head coach Leslie Davis, Sanita Tabor, Susan Ocitti, Mekkin Lynch, Gwen Brown, assistant coach Sara Varella.

# TENNIS

Coached by Gay Ward, the boys tennis team continued its success in the Greater Boston League. Led by seniors Ben Sanoff, Ben August, Greg Mahr and junior Nikias Stefanakis, the team played into the State tournaments, continuing Cambridge's tradition of strong tennis teams.

BACK ROW, L-R: Coach Pedy Rivera, Ada McMahon, Margaret Levy, Maja Tonic, Nadja Strucker, Kate Saunders-Fleming, Coach Jack Noble. FRONT ROW, L-R: Natalie Akula, Leyla Derbali, Rhea Gibson, Heather Colman-McGill, Cheryl Rivera, Mae Ercolani NOT PHOTOGRAPHED: Emma Trivella, Ebi Poweigha, Marie Constant, Mekkin Lynch, Lucy Lindsey, Clara Haskovec, Claire Joy, Emily Kanstrom, Manuela Villar, Sarah Graves, Kate Silver-Herlman, Claire Joy.

The tennis team, coached by Jack Noble and Pedy Rivera, lost only one of twenty matches during the season. They won the GBL and qualified for the states. The girls played hard and had fun. Last year's captains, Rhea Gibson and Heather Colman-McGill, graduated. But many varsity players remain: Leyla Derbali, Ebi K Poweigha, Cheryl Rivera, Maja Tonic (shown here), Emma Trivella and Nadja Strucker.

The boys indoor track time ran away with another stellar season. After winning the Class A and All-State Championships a year ago, the boys came back with record-setting performances and a 2000 Greater Boston League Title. Senior captain Jesse Rykerson and David Graham led the way in dual meets, as Junior captain Stanley Pierre-Louis carried the way against state competition. The sensational performance of freshman Zach Habtemichael in breaking the CRLS school record in the two-mile provided Cambridge Track with a look into the future, as Roger Reddick and Sam Ryerson placed themselves on the national scene. After an 8-0 league record, State Coaches Relays Title, and various strong performances throughout the season, the 2000 season will be remembered as one of heart, determination, and strength. Seniors leave CRLS knowing the future of Cambridge boys track will be one of broken records and state titles.

# Girls Indoor

The girls indoor track team enjoyed another successful season, with an undefeated 8-0 league record, and received recognition throughout the state. Led by captains Julia Devanthy, Johanna Thomas, Neressa Henry, and Alyssa Tingle, the team made much improvement from last year's indoor season. Runners up at the Class A State Championship, the Falcons placed in seven events with a total of 41 points. The young 4x800m relay team, consisting of freshman Sarah Itzbit, freshman Ashley Brown, sophomore Gretchen Overholtzer, junior Alyssa Tingle, and senior Julia Devanthy, came out on top of New England. The relay took first place in the Class A, All States, and New England meets and were successful at Nationals. With outstanding performances from numerous young runners, the future looks bright for Cambridge girls' track.

# Track & Field

1999 was a breakthrough year for the girls' track team. The team finished the GBL season 8-0, defeating along the way arch-rival Peabody and an improving Medford team. At the GBL post-season meet, Cambridge won convincingly, easily out-running Peabody and Somerville to remain unbeaten. More impressively, the team made its mark in State competition. At the Class A meet, Cambridge had 6 individual placings led by seniors Julia Devanthery (800m), and Nancia Pierre (200m), as well as those by the 4x100m and 4x800m relays. In All-State racing the team gained further respect as Devanthery placed in the 800m. Other highlights included a new school record by the 4x800m relay, of 9:43.

# Track & Field

The Cambridge Boy's Outdoor Track team has improved a lot and become a much stronger team in the past couple years. Last year, we were first in the GBL. Unfortunately, we lost the Class A meet by a few points, to Brockton, because our last leg-runner on the 4x400 race was tripped up. The 4x400 race is the last race of the meet so it was very dramatic. A week later at the All-State meet, everyone performed wonderfully and we ended up beating Brockton for the State Title. Our team looks very strong this year and we hope to repeat our victory at the All-State meet. We also hope to win the Class meet.

The 1999 Golf team earned its second GBL title in three years. The team was led by captains Mike Kershner, Aaron Bach, and Jack Haverty. The teams number one golfer was Mike Stiller (sophomore). He was named GBL MVP and was the first player to qualify for the state finals from Cambridge in over ten years. The teams final record was 10-1-1, with a 7-0 record in the GBL. Overall, it has been a successful year for the Golf team.

The 1999-2000 CRLS Falcons Wrestling team enjoyed its best season in the history of the program. The team won its first Greater Boston League Championship and was undefeated in the Greater Boston League. With an overall record of 11-1, the 1999-2000 Falcons gained the respect of teams from across the state. As a team, they finished Third in the Division 1 South Sectional Championships, and placed eight of their 13 wrestlers in the Division 1 State Championships. The Falcons ended their season finishing 10th in the State Championships, which was amazing considering it was only the fifth year of the program. Seniors on the team were as follows: Antwan Gonsalves (103), Aaron Novod (135), Mike Payack (140), Ian Ganley (160), Farhan Abassi (171), and Chris Laidley (189).

With the graduation of last years strong senior leadership. the boys varsity team was in need of young players to step up. Kevin Kafua, previously a third string goalie, rose to the occasion and kept the team alive in more than a dozen games. He, along with rookie goalie Steve Vendetti, were indicative of the teams growth and improvement. By the end of the season, almost all of the young and rookie players had improved and were now getting a consistent spot in the rotation. The season ended with two consecutive wins that we highlighted by goals from unexpected players. The final record of the boys Varsity team was 5-14-1.

# Girls

This year the Girls Ice Hockey team skated in with a bang! The team finished with a 5-5 record within their grouping. Because of their great play, the team qualified for the Eastern Massachusetts Division 3 State Tournament. This could not have been possible without the great coaching from Head Coach Kevin Mitrano and his assistant coaches Ned Flaherty and Sarah Hsai. The team was led by Senior Quad-Captains Maja Tonic, Sonja Totten-Harris, Becky Hiller, and Julia Sheketoff. In addition to the captains, the team included seniors Claire Singer and Jocelyn O'Shea.

# Football

The CRLS Falcon's Football team plays in one of the toughest leagues in all of high school football. This past season, the Falcons ended up with 3-5-1 record. This record does not, however, give the players or coaches enough credit. With some of the most talented players in the Greater Boston League, the Falcons played hard in every game until the last whistle, but were not able to capitalize on some situations that could have helped them have a winning season. The seniors of this team should be congratulated for having the most wins of any four-year-players since the early 70s.

## Al Coccoluto

1949-2000

Al Coccoluto had a rich and diverse career as a teacher, administrator, coach and youth mentor in his twenty-nine years at CRLS. He taught social studies, served as Assistant House Administrator for the unit formerly known as House B, coached boys' basketball and most recently, directed Project Success. Throughout his tenure at CRLS, his most noteworthy character trait was his genuine concern for his students and his colleagues which was manifested every day in myriad ways.

"What can I do for you?" was his trademark comment and he meant it. From students to teachers and administrators to members of our support staff, Al was universally regarded as a man you could count on in any situation from practical advice on handling troubled kids to providing a shoulder to cry on to giving you tips on how to run a great party.

His top-notch basketball coaching career at CRLS exemplified Al's allegiance to his role as an educator. From his first year as an assistant coach in 1978, coinciding with the arrival of Patrick Ewing, to his final year as head coach in 1993, his first concern as a coach was the student-athlete. He wasn't satisfied unless every one of his players had the opportunity to excel in the classroom and beyond. If one of his athletes wanted to visit a college, Al was in the car and on his way for the visit. If one of his athletes had a dilemma either in his home life or school life, "Coach C" was there to listen, counsel, and intervene in any way possible.

He was a compassionate, humane man, a man who will be painfully missed by his colleagues and students.

## Gene Meyer

1947-1999

Gene Meyer was a beautiful man!

In 1978, Gene became a teacher. Gene was originally from Mounds View Public School in Minnesota. He found his interest in the Cambridge schools as a teacher of Vocational Preparation for moderate special needs students in the Latin building. Gene wanted to share his knowledge with every student he worked with. Gene was later assigned to the Pilot school and began teaching in the job skills program. In 1991 Gene was appointed Teacher-in-Charge of special education services at CRLS. He established his reputation as a committed, caring, and sensitive teacher.

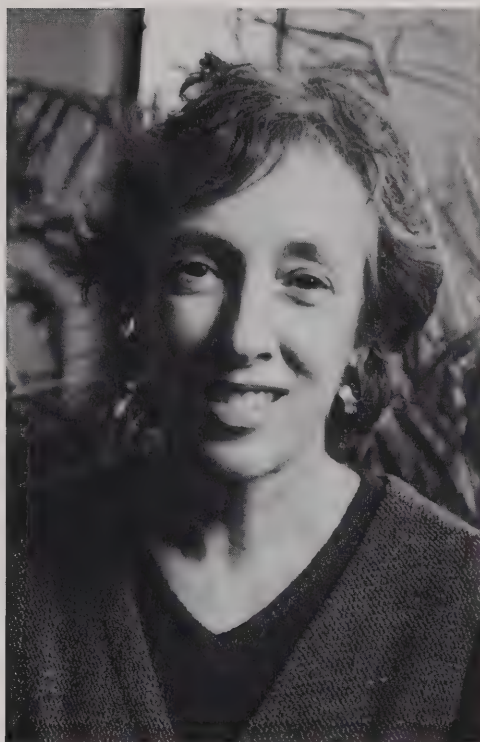

Gene believed that good work leaves the world enriched and not diminished. His work with students, parents, and staff left us knowing that he tried to fulfill those ideals in his teaching. Gene gave us respect that we deserved as human beings because to him we were all special. Gene Meyer was a beautiful man.

## Congratulations

this is your time;  
you're off to great places,  
you're one of a kind.

You have brains in your head  
your shoes are just right;  
you can choose for yourself,  
you're quite a sight.

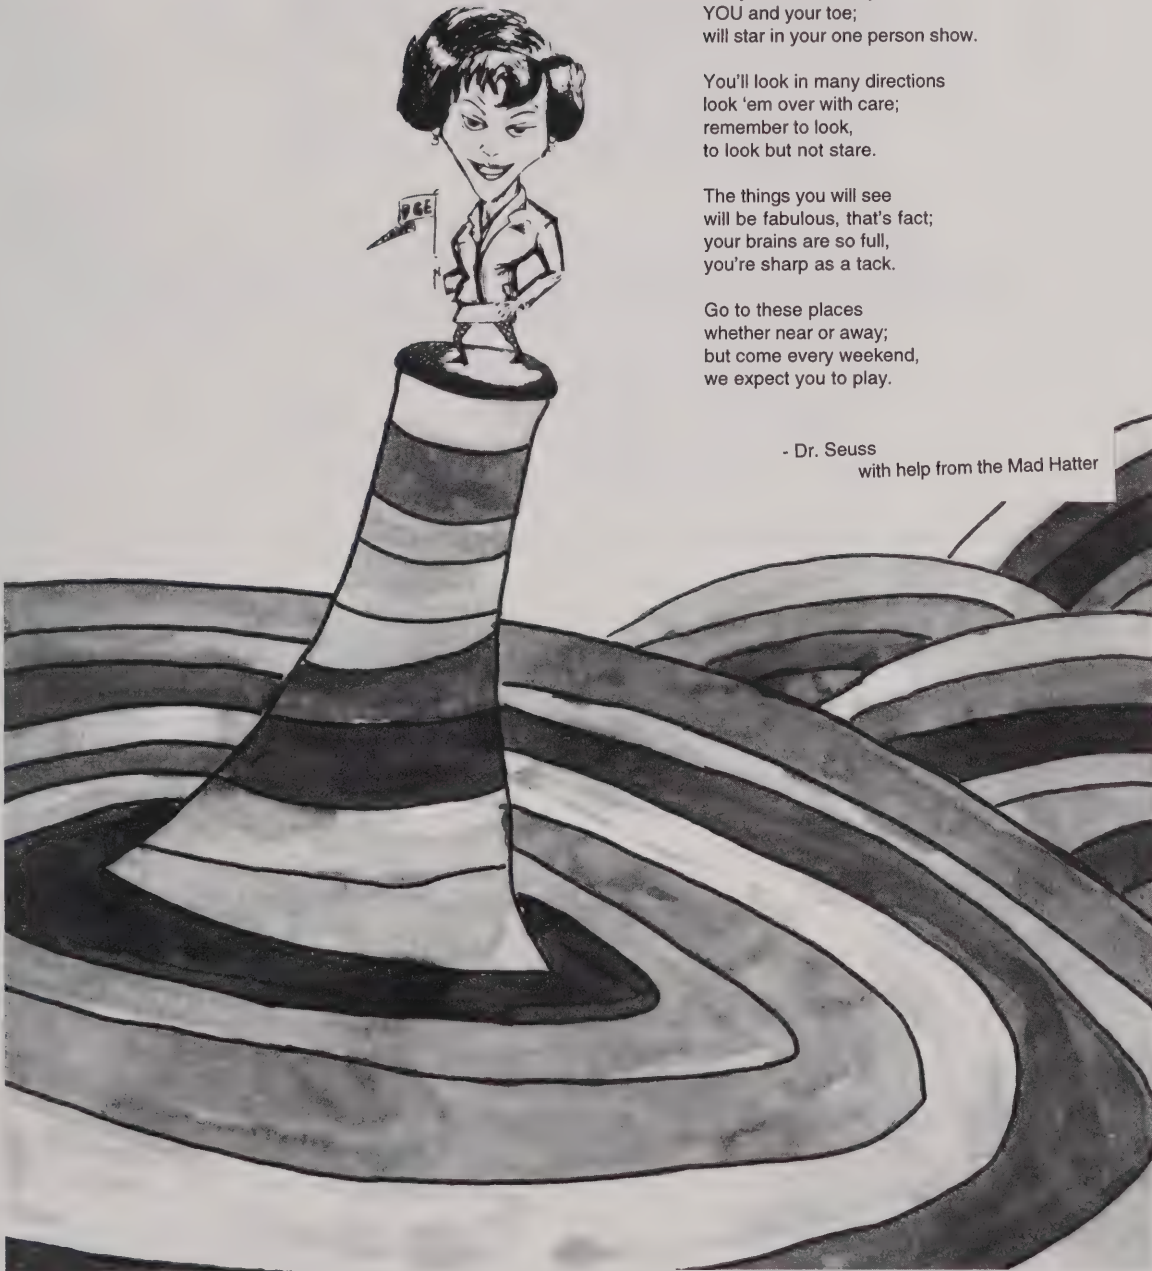

You're on your own  
and you know what you know;  
YOU and your toe;  
will star in your one person show.

You'll look in many directions  
look 'em over with care;  
remember to look,  
to look but not stare.

The things you will see  
will be fabulous, that's fact;  
your brains are so full,  
you're sharp as a tack.

Go to these places  
whether near or away;  
but come every weekend,  
we expect you to play.
